### **Position Statement (not to exceed 200 words)**

There are many issues that are common to many countries (legislation, status of BME, funding opportunities). With the help of the Regional Group Representatives I hope to be able to discuss and possibly solve the issues that are common to a region or to the BME society in the entire world.

I agree to have my name placed in nomination for the above position, and if elected, to serve for the specified term.
