

# INTERNATIONAL FEDERATION FOR MEDICAL AND BIOLOGICAL ENGINEERING

Affiliated with the International Union for Physical and Engineering Sciences in Medicine

Office of the Secretary-General: Prof. K.P. Lin

## Nominations for Elections in 2018

### NOMINEE INFORMATION FORM

Nomination for the position of

candidates for the IFMBE Clinical Engineering Engineering  
Division (CED) board

Name

Li Bin

Affiliated Society

Chinese Society of Biomedical Engineering (CSBME)

Current Position  
(in Affiliated Society)

Chairman of Designate Clinical Engineering society of Chinese  
Medical Association

Current Profession  
(in Academia, Hospital, etc.)

Director of Hospital management research center of Shanghai 6<sup>th</sup>  
people's hospital, Chief of Medical Device medical QC center for  
Shanghai.

## IFMBE

### Brief Biography (200 words)

#### Professional background

1982.9—1987.7 study Physics in East China Normal University.

1987.9---1990.7 study NMR spectroscopy for Master degree in East China Normal University.

1990.8---1994.4, work as MRI engineer in radiology dept. Of Shanghai 6<sup>th</sup> People's Hospital

1994.5---1996.8 work as MRI technical Engineer in GE medical system Shanghai office, finished three MR technical training program in USA and Japan .

1996.8--2005.5 chief of in clinical engineering department Shanghai 6<sup>th</sup> People's hospital ,finished CT technical training program in Japan

2005.3—2016.12 Chief of Clinical department.of Shanghai ,6<sup>th</sup> people's hospital affiliated to Shanghai Jiaotong University

2005.5--- chief of medical equipment quality control center in Shanghai Affiliated to Shanghai Jiaotong University

2017.1--- chief of hospital management research center of Shanghai 6<sup>th</sup> people's hospital Affiliated to Shanghai Jiaotong University

worked for over 20 years as chief of clinical engineering department of hospital

In charge of device management and quality control of medical equipment in Shanghai for 12 years

#### Research field

Regional medical equipment management and quality control

Assessment and management of medical equipment suppliers

Management of service and rating of customer satisfaction

Cost evaluation and quality control of radioactive and imaging equipment

Evaluation of medical imaging Equipment performance and service system

## **Position Statement (200 words)**

Senior Engineer (Professor level), Master Tutor of Shanghai Jiaotong University

Social academic position

Chairman designate of Clinical Engineering Committee of China Medical Association

Vice Chairman of clinical engineers branch of Chinese medical doctor association

Council Member of Chinese society of Biomedical engineering

Chairman of Medical management committee of Shanghai hospital association

Pre-Chairman of Clinical Engineering Committee of Shanghai Medical Association

Committee member of medical device classification technology of China SFDA

Member of the China national medical meteorology technology committee

Chief expert of Shanghai Research Base for Clinical Engineering Technology of Hospital Management

Institute of Ministry of Health

Standing committee member of Medical Engineering Committee of Chinese Medical Association

Purchase consultant for Shanghai Municipal Government

Member of China Clinical Engineering Expert

Member of China Association of Medical Equipment

Achievement

Authorized and co-authorized 7 books, including Chief editor of National health ministry's 13th five-year plan textbook for clinical engineering major

Published over 40 articles in national statistical source journal

Obtained two project of the national science and technology department key R&D projects total fund is over USD one million.

The QC center has been awarded as Shanghai excellent QC center

Obtained the third prize of National Hospital Innovation Award of Chinese Hospital Association In 2011 for the supervisory project of after-sales service.

Our clinical Engineering team win the award of National key disciplines of medical engineering
